DAILY PROGRAM:

We usually fish 4 hours during the morning, at midday we go back to the lodge for lunch, we rest (nap time) and in the evening we go back for fishing 4 hours more.

For those who want to fish the Quillen lake or the Alumine River, they can choose the option of having a picnic with the guide instead of returning to have lunch at the lodge.

MISCELLANEOUS:

We offer open bar 24 h., but if you want any special drink, appetizer or meal, please let us know.

We have insects at the estancia like mosquito, bees, etc. We recommend in bringing insect repellent.

Very important: Please let us know about any allergy you have. This is very important and we always want safety for our guests.

Thanks for contacting Quillen,
Hope to see you soon in our Estancia.

*If you have any other doubt don't hesitate in contacting the company.
